## This is not the control card!!

It doesn't matter how badly you think you have done - we need the control card returned so that we know you're team has made it safely back to the finish. If you can't or won't be returning please let us know by calling Grieg Scott on 0429-149-561 or Peter McConaghy on 0419-428-394. If we don't get the control card back and don't hear from you then we will have to go looking for you at the end of the event.
